Oregon Gypsy Vanner Horse Photo Tour \$995.00

The Gypsy Vanner breed is recognized for their beautiful feathering and eye-catching coats and long manes and tails. Let's capture together the soul and spirit and lifeblood of this exceptional horse breed.

This Photo Tour experience includes 2 morning and 2 afternoon photoshoots, with one of these sessions being held on the beach. It also includes a 2-hour zoom session to cover post-processing tips.

Photography sessions will be broken up between portraits, full body poses, and in the field at both sunrise and sunset. Fingers crossed there may be foals available also.
